# Erosion Repair and Weed Management Workshop

## Date Claimer

Develop skills to help you manage erosion and control catchment weeds.

The Queensland Murray-Darling Committee (QMDC) invites you to take part in a practical erosion control day and develop a catchment-wide Weed Management Plan.

### GUEST SPEAKERS:

- Queensland Department of Agriculture and Fisheries Biosecurity Officer Craig Hunter

- QMDC Land and Water Regional Coordinator Vanessa Macdonald
- QMDC Biodiversity and Pests Regional Coordinator Holly Hosie

### Learn about:

- principles of erosion control techniques
- discuss current weed issues in Butler's Creek
- Interactive development of weed management plan for the catchment
- Harissia control

## Butler's Creek Sub-catchment area

Where: Location to be confirmed within the Butler's Creek Catchment area

When: 9:00am – 12:30pm (lunch provided)

RSVP to: QMDC's Land and Water Regional Coordinator Vanessa Macdonald on email: [vanessam@qmdc.org.au](mailto:vanessam@qmdc.org.au) or mobile: 0428 712 955

MORE INFORMATION:  
Visit [www.QMDC.org.au](http://www.QMDC.org.au)

*This workshop is supported by QMDC through funding from the Australian Government's National Landcare Programme and the Queensland Government State NRM Regional Investment Plan. The Queensland Government is committed to the productive and responsible use of the State's natural resources.*
