

GRAZING BMP

Surat – June 16, 2017
8am-3pm

Venue

Surat Supper Room

Smokos and lunch provided

Do you want a more profitable and sustainable business?

The Grazing BMP program is a voluntary, industry led process to assist graziers to identify improved practices that enhance the long term profitability of their enterprise. The day will guide you through a self-assessment process with two of the five modules in the Grazing BMP program delivered to assist you to understand where you are at with:

- Soil Health – Bruce Alchin, Bruce Alchin and Associates
- Animal Health and Welfare – Jed Taylor, Biosecurity Queensland and Andrea Wiles DAF

Your self-assessments will inform and guide training programs to assist with your enterprise in the coming months.

RSVP by June 14, 2017

Preferably by email to Vanessa Macdonald (QMDC)

on: vanessam@qmdc.org.au or

Phone Vanessa on 0428 712 955
