# RABBIT CONTROL: WARREN RIPPING DEMONSTRATION

## Are rabbits nibbling away your profits?

To maximise the impact of the latest rabbit control virus (K5 strain), QMDC and the Southern Downs Regional Council invite you to a demonstration of warren ripping and effective rabbit control techniques.

### Guest speakers:

- Southern Downs Regional Council Local Laws Officer Craig Magnussen
- USQ Research Fellow Dr David Berman
- Biosecurity Queensland Experimentalist Peter Elsworth
- Darling Downs-Moreton Rabbit Board Inspector Mark Ridge

### Learn about:

- getting into the mind of a rabbit
- how to identify where rabbits are breeding
- control techniques
- warren ripping demonstration: how to have the biggest impact
- \$ incentive on offer
- legal obligations for landholders

Cost: Free (RSVP essential)
