

Grazing fundamentals EDGE

Meandarra, Qld: 1 March 2018

VENUE Meandarra Bowls Club, 4 Walton Street, Meandarra Q 4422
TIME 8:30am to 4.00pm

GRAZING FUNDAMENTALS EDGE IS A ONE-DAY WORKSHOP DESIGNED TO GIVE YOU A BROAD UNDERSTANDING OF THE COMPONENTS OF THE GRAZING PRODUCTION SYSTEM AND THE CORE, SCIENTIFICALLY-BACKED PRINCIPLES BEHIND OPTIMISING GRAZING LAND PRODUCTIVITY.

What you will learn:

- environmental regulators of pasture growth & quality
- local seasonal pasture growth patterns and key decision dates
- how soil properties influence pasture growth
- how grazing affects pasture plants, their productivity and growth
- how to assess land condition and how this impacts on carrying capacity
- know when and how to use pasture spelling
- principles behind successful grazing systems
- how to account for different classes of animals when assessing grazing pressure
- what's involved with forage budgeting

Deliverers: Jill Alexander, Applied Ag and Rhonda Toms-Morgan – ConnectAg

Places are limited. Register securely at
www.trybooking.com/TUUI

For more information contact: Jill Alexander

Attending this workshop will help you to:

- understand what conditions drive pasture growth and how you can use strategic grazing management to improve pasture productivity
- evaluate the productive potential of your property and identify opportunities for improvement
- better align herd management with seasonal changes in pasture condition

Price: \$650 + GST for 1 person
(subsidised, normally \$750pp + GST)
\$800 + GST for 2 people from 1 business

10% Earlybird discount if you register before 21 February. Use the discount code GRAZE at registration.

This course is supported by the Queensland Murray-Darling Committee through funding from the Australian Government's National Landcare Program.

Cost includes comprehensive set of workshop notes, workbook and lunch, morning/afternoon tea.
