

Weed and Rabbit management field day

Maryvale Crown Hotel

From 9:30am – 12:00pm

Followed by lunch.

Join the Southern Downs Regional Council and the Queensland Murray-Darling Committee (QMDC) to discuss rabbit control and weed management in the Maryvale district.

Guest speakers:

- Darling Downs-Moreton Rabbit Board Inspector Mark Ridge
- USQ Research Fellow Dr David Berman
- JB Weed Consulting and Training weed control expert John Barker

Agenda:

- what is the risk of rabbits to your property
- how to identify where rabbits are breeding
- control techniques
- legal obligations for landholders.
- How to best control local weed species such as boxthorn, tree pear, privets, lantana, Chilean needle-grass, green cestrum & firethorn including chemicals and most effective control techniques
