Landcare Leadership Finalists announced

Four landcare support officers have been selected from nominations across the state as finalists for the 2006 Landcare Leadership Bursary coordinated by Queensland Landcare Foundation.

Samantha Morris, Manager Queensland Landcare Foundation said “each nominee demonstrated amazing passion and commitment to the landcare community in Queensland and choosing only four finalists was a difficult task.”

“Each of the four finalists have consistently gone above and beyond the call of duty in support landcare groups and their members and have contributed much to their local communities,” she added.

The finalists are:

Katie Elder, Rockhampton
Tanya Robinson, Inglewood
Julia Telford, Roma
Lisa Thompson, Surat

The winner will be announced at a gala ceremony being held in Brisbane as part of the 17th annual Queensland Landcare Conference, 22 August. The Bursary winner is awarded a \$1500 cash prize as well as a handcrafted trophy.
