QUEENSLAND
MURRAY-
DARLING
COMMITTEE

Discount trees available from Millmerran Landcare

Landholders and community members have the opportunity to buy trees at a discount rate, thanks to the Millmerran Landcare Group.

Millmerran Landcare Coordinator Pearta Nolan has arranged to have the seedlings and tubestock available at a discount rate.

“We have been able to secure some great rates for landholders,” Mrs Nolan said.

“Seedlings cost \$1.50 ea, or for \$2.20 you can get a one litre milk carton, two bamboo stakes and a seedling, which is great value for money.”

Mrs Nolan said although there was a minimum of 80 plants per order, Millmerran Landcare Group could help put individuals and groups keen to place a smaller order in contact with each other.

“Whilst these prices are only available for bulk orders, you can get together with a few friends to share the load,” she said.

“We have a wide range of species to choose from, including Acacia, Calistamon, Casuarina, Eucalyptus and Melaleuca species.”

“We are now taking orders for the Autumn planting, and will be taking more orders again in February for the Spring.

“With so much soil moisture in the ground at the moment, now is a perfect time to plant trees.”

If you would like to buy some plants, or for a species listing and order form, please contact Pearta on 07 4695 2336 or 0427 952 336, or email Pearta at millmerranlandcare@bigpond.com.
