COMMITTEE

QMDC chopper roller field day postponed

A field day at Mitchell to demonstrate the use of a chopper roller as a management tool to prevent cypress pine thickening, originally scheduled for this Friday, has been postponed.

Queensland Murray-Darling Committee (QMDC) Vegetation Technical Officer Matt Brown said a storm at the site of the field day had led to the postponement.

“The field day, which was due to start at 9.30am on ‘Glenarby’ Mitchell on Friday, December 10, will now be held sometime in the New Year,” Mr Brown said.

“QMDC will let everyone know the new date as soon as it is set.”

For more information, contact QMDC’s Matt Brown on 0439 661 214 or Mitchell and District Landcare Coordinator Jenny Hockey on 0428 171 191 or visit www.qmdc.org.au.

The Queensland Murray-Darling Committee is a natural resource management organisation that supports communities within the Queensland Murray-Darling Basin to sustainably manage their natural resources. Visit www.qmdc.org.au for more information.
